## 6 Purpose / Mission / Policy (Beleidsplan)

Our purpose, mission and governing policies are all described in our constitution which is also available in the same section of our web site as this document. Section 6 and 7 of this document contains summaries of the relevant sections of our constitution.

### 6.1 Church covenant

We are a fellowship of people who trust in Jesus Christ as Savior, Lord and God. We are committed to each other in love as a unified body of diverse people. Our purposes are to celebrate in worship of our Lord, to proclaim the Gospel, to nurture and instruct believers, to encourage a vision for, and to be in support of missionary work in our community and around the world and to promote Christian standards in the wider community. We commit to private and family worship. We commit to train our children conscientiously and to bring them up in the nurture and admonition of the Lord.

### 6.4 Organisational principles to realise our mission

The leadership consists of multiple people with shared and equal responsibility, but ultimately the members are collectively responsible for all matters of the church and all substantial decisions (our budget for instance) have to be voted for by the member body. Our aim is to make decisions based on unity. Although various languages are spoken in IBC Eindhoven, English is the primary and common language used.

In addition to support the policy plan, we support a number of mission projects, both in the Netherlands and overseas. We have long established links with many of these.

### 6.5 Financial principles to realise our mission

#### 6.5.1 Budget

##### **Budget Approval and audit**

IBC Eindhoven financially operates under a strict budget program in which a budget is agreed by the members each year based on the projected income and where for expenditures exceeding the budgeted amounts (within tolerances stated in our constitution), need to get approved by the congregation. Our financial procedures and compliance thereof are internally audited every year by a member not part of the leadership team, whom then reports back to the members.

### **Contract Approvals**

Financial obligations or contingent liabilities for all IBC contracts must be approved as part of the annual budget or in another business meeting by the member body.

### **Contract Executions**

The legal execution of IBC contracts must be by IBC officers which are accountable to the member body.

### **6.5.2 Income**

The primary source of income consists of freewill gifts of our members and regular visitors, based on Biblical principles of giving. Giving can be done by bank transfer or cash/Tikkie app. Sometimes collections are organized for a specific purpose, for instance after a natural disaster or a specific need of a missionary that is supported by IBC Eindhoven. IBC Eindhoven does not charge money for activities.

### **6.5.3 Giving**

The goal of IBC Eindhoven is to spend about 20% (directly or indirectly) of our income on evangelization.

- We give 10% of our income (Q1 & Q2 based on actual Q3 & Q4 based on budget) to missions in the Netherlands and abroad (i.e. Thailand, Malawi, Kenia).
- We give a further 10% of our income the International Baptist Convention for distribution to affiliated churches, missions, orphanages around the globe.

IBC Eindhoven also targets to have additional funds to be able to invest in (replacing) equipment, to help people in need, unexpected expenses. The reserve funds are put in a savings account to receive interest. Payments and reimbursements always need to be approved by the treasurer for budgetary items, and extraordinary expenses need to be approved by the congregation.
